Keeping in Contact with Retirees: Retiree and Annuitant Email Addresses

In the third quarter of the calendar year, between July and September, DFAS plans to launch an initiative to collect members' email addresses. They are making a tool for members to update their email address available online, and urging both retirees and annuitants to make sure they have an email address on file with them. This information will make it easier for the retiree community to access and update their **myPay** accounts, and it will free up the Call Center to focus on members who are unable to manage their account through self-service.

Establishing New Annuity Accounts

After a retired member dies, DFAS should receive a notification of the retired member's death through our Customer Care Center, Fas Forms (<http://www.dfas.mil/dfas/retiredmilitary/forms.html>), the Defense Manpower Data Center-(DMDC) or the postal mail. After the notice of death is recorded by our Casualty department, an Annuity Application Packets is sent out to the annuitant.

The annuitant must complete the packet and send the completed packet to Defense Finance and Accounting Service U.S. Military Annuitant Pay P.O. Box 7131, London, KY 40742-7131.

The Annuity department has **30 days** from the scan date to process the Annuity Packet. An annuity will not be established until all required documents are provided to make the packet complete.

A complete Annuity Application Packet should have the following documents:

- Verification for Survivors Annuity (DD FM 2656-7)
- Withholding Certificate for Pension or Annuity (W-4P and or W-8Ben when the annuitant is living in a foreign country)
- Direct Deposit Enrollment Form (SF 1199A) or International Direct Deposit Enrollment Form (SF 1199-I)
- Child Annuitant's School Certification (DD FM 2788) (for child annuitants approaching 18 years of age and older)
- These forms are available at: <http://www.dfas.mil/retiredmilitary/survivors/Retiree-death/sbp.thml>
- Custodianship Certification (DD FM 2790), required annuitants under the age of 18 (if applicable)
- Physician Certification (DD FM 2828), for incapacitated child annuitants (if applicable); the forms can be found at <http://www.dfas.mil/dfas/retiredmilitary/forms.htmi>

NOTE: The Casualty and Mortuary Affairs and the Retirement Services Office will assist widows of deceased members in completing their Annuity Application Packet. For assistance contact the Casualty Officer on Redstone Arsenal at (256) 842-2718 and/or (256) 876-2022.

Arrears of Pay (AOP) Checklist

It is important that someone notify DFAS as soon as possible after a service member, spouse, or annuitant dies. Late notification of death can generate administrative burdens for survivors, including delays in finalizing a member's account, paying the Arrears of Pay and establishing a Survivor Benefit Plan (SBP) annuity. Because the entitlement to retired pay ends on the date of the member's death, delayed reporting can also result in an overpayment that will be recouped from the member's bank, their estate or any monies due under Arrears of Pay.

RETIREED PAY STOPS WITH THE DEATH OF THE RETIREE!

RETIRED PAY INFORMATION REMINDER

Retirees are responsible for updating their file at DFAS-Cleveland within **one year** in the event that they marry, remarry, are widowed or divorced and need to update beneficiary information and make or update Survivor Benefit Plan (SBP) election. Address changes should also be reported to DFAS-CL to ensure receipt of retired pay, newsletters, 1099R forms and retiree account statements by contacting 1-800-321-1080.

You may also **start, stop, or change allotments and change direct deposit** information by contacting DFAS by phone at 1-800-321-1080 or by fax at 1-800-469-6559. Written requests for updates and/or entitlements must be mailed to: **Defense Finance and Accounting Service, US Military Retired Pay, P.O. Box 7130, London, KY 40742-7130.**

SBP and Annuitant Pay inquiries can be mailed to: Defense Finance and Accounting Service, U.S. Military Annuitant Pay, P.O. Box 7131, London, KY 40742-8459.

HOW TO GET A RETIREE ACCOUNT STATEMENT (RAS) COPY

The most convenient way to view, print and save your latest RAS is via myPay. myPay makes your RAS, as well as tax statements and other pay account information, available 24 hours a day. Address is: <https://mypay.dfas.mil/mypay.aspx>.

If you cannot access myPay or you need a RAS that is no longer in your myPay account, send a detailed written request to: DFAS Retired Pay, P.O. Box 7130, London, KY 40742-7130 or Fax: 800-469-6559.

In your request, please include: Your name, Social Security Number, signature and the date. Please specify exactly what information you need and the dates you need included in the statement (for example: Federal income tax withholding, Survivor Benefit Plan costs and allotments for June 2010 to September 2010). Retiree Account Statements from past years require extensive research. Please allow up to 60 days to process an extended audit of your account.

Need to Get a 1099-R Right Away?

Normally, there are five ways a retired member or an annuitant can get their 1099-R reissued.

- They can obtain it directly through myPay.
- They can call in and request it using Telephone Self-Service.
- They can go to our website and use the online request form we make available there.
- They can write us using at Defense Finance and Accounting Service U.S. Military Retired Pay P.O. Box 7130, London, KY 40742-7130 or they can call and ask to speak to a CSR. But the last few weeks of tax season are not a normal time, and people who need their 1099-R, need it before the tax deadline of April 15, 2016.

Here are the two sure fire methods for your customers to get their 1099-R reissued right away:

Telephone Self-Service:

Our Telephone Self-Service is an automated option that allows military retirees and annuitants to have their 1099-R mailed to the mailing address DFAS has on record for them. It can be used 24 hours a day, 7 days a week. There is no need to speak with a representative, wait on hold, or even use a computer for this system.

The member's 1099-R can be in the mail to them in three business day.

Here's how:

1. Call 1-800-321-1080.
2. Select option 1 for Military Retired and Annuitant Pay.
3. Select option 1 "To use our automated self-service system."
4. Select option 1 to request your 1099-R any time of day.
5. Enter your Social Security number when prompted.
6. Your 1099-R should be in the mail within 3 days to your address we have on record.

"Supporting Warriors, Veterans and their Families"

Casualty Assistance for Family Members

Casualty Assistance is provided by Redstone Arsenal for families of Army Retirees that reside in northern Alabama.

The phone number is **256-876-3148/4252**. Birmingham and all points south are covered by Ft Rucker; their phone number is 800-661-1407. Army Retirees in Tennessee need to contact Ft. Campbell at 270-798-4727. Additionally, for Air Force Retirees, contact 334-953-4545, Marine Retirees contact 866-826-3628, Navy contact 904-542-4008 and Coast Guard contact 504-489-6220.

Immediate notification of a Retiree's death will enable the Casualty Assistance Office to notify the Defense Finance and Accounting Service (DFAS) in a timely manner to stop the retired pay. The sooner this is done the sooner benefits can be received by the surviving spouse. Be sure to update your family planning checklist and let your family know where it is located.

In the Retirement Services Office and Casualty Office we assist all branches of service Retiree Widows and loved ones. When we ask for documents, which are normally needed to request benefits, sometimes the response is "I don't know where my spouse kept those papers." This could affect VA, Social Security, and Retired Pay; some papers are important and hard to replace, yet not used often.

An Honor Walk to Recognize & Honor Our Fallen & Those Living Still Serving Valiantly

What: A Ceremonial Healing Walk

Where: MWR Activity Field

Why: The community wishes to acknowledge and witness the lives of those who served and those who still serve.

Retiree Appreciation and Soldier for Life Days:

Army Community Services in partnership with Turning Point Consultants is honored to present with Team Redstone an Honor Walk: Recognizing and Honoring our Fallen and the Living Still Serving Valiantly.

Thursday, 24 September 1:00 PM

MWR Activity Field

This innovative experience of honoring will change you in ways unexpected. We cordially invite you to experience the freeing honor of commending other Brothers and Sisters to their Heroic Warrior hood while holding up those continuing in Service.

An Honor Walk has three phases:

RELEASE

From the entrance to the Center is the path of letting go. This part of the walk recognizes the weight of carrying the memory of the Fallen and the hope of healing when we release them to hands larger than our own. The path invites the release of anxiety and concerns, a letting go of griefs. Large stones at the mouth of the path represent the weight of what we carry and may need to release. Take a stone(s) and when you are ready, RELEASE it by placing it down on the path or at the Center, never to pick it up again. It is a ritual for RELEASE.

RECEIVE

There is a bowl of water at the Center. Perhaps you will dip your hands in it and feel the clean refreshment of new possibility. If you have completed an 'In Memoriam,' card, leave it by the bowl or along the lines of the path and honor the Fallen in your heart.

RESTORE

Light a candle for a fallen comrade, Families in need, those still in harm's way, a friend or perhaps yourself. Light a candle for your life and those lives still in service; for the gift of a life of a life of giving, we offer thanks. With your candle lighted, return by the way you came, bringing that light into the world with a commitment to Pay it Forward to the community and beyond.
