THE FIGHTING HARDER

The Story of Commander Samuel David Dealey, U.S.N.

DURING HER FIFTH WAR PATROL IN JAPANESE-CONTROLLED WATERS, THE U.S.S. HARDER, COMMANDED BY SAMUEL DAVID DEALEY, FOUND HERSELF FLOODLIGHTED BY A BRIGHT MOON AND DISCLOSED TO AN ENEMY DESTROYER WHICH BORE DOWN ON HER...

攻撃!! ATTACK!

EVERYBODY BELOW! WE HAVE TO SUBMERGE!

AT PERISCOPE DEPTH THE COMMANDER WAITED FOR THE PURSUER TO CLOSE RANGE...

OPEN FIRE!

THE THIRD TORPEDO DID IT! THERE'S ONE JAP DESTROYER THAT WON'T SEE THE RISING SUN AGAIN!

NINE MINUTES AFTER SURFACING, COMMANDER DEALEY SIGHTED ANOTHER DESTROYER...

A HIT—DIRECTLY AMIDSHIP!

EVADING DETECTION, SAMUEL DAVID DEALEY PENETRATED THE CONFINED WATERS OFF TAWI TAWI WITH THE JAPANESE FLEET BASE ONLY SIX MILES AWAY...

TWO MORE DEATH BLOWS. WE BETTER CLEAR THE AREA BEFORE WE HAVE THE WHOLE JAP FLEET ON OUR TAIL.

FULL SPEED AHEAD!

THE NEXT DAY, THE U.S.S. HARDER WAS SIGHTED BY A LARGE HOSTILE FLEET FORCE...

SWING THE BOW TOWARDS THE LEAD DESTROYER. WE'RE CLOSING IN FOR ANOTHER "DOWN-THE-THROAT" SHOT.

FIRING THREE BOW TUBES WHICH HIT THEIR MARK, THE COMMANDER QUICKLY CRASH-DIVED AS THE DESTROYER EXPLODED...

THERE SHE GOES!

One of the best ways to relax and at the same time save hours by accomplishing all your beauty needs is to regularly indulge yourself in a luxury bath. While preparing your bath, place within easy reach all your beauty requisites; hand and body lotion, creams, tissues, parfum cologne, bath oil, wash brush and silk sponge, a gentle soap and fluffy towels.

Fill the tub with water that is comfortably warm. Sprinkle drops of your parfum cologne into bath or smooth a fragrant bath oil on your skin, then hop in. The scent will cling to your skin for hours afterward. Then, while the warm water is relaxing nerves and muscles, go through your regular grooming procedure, using all the requisites you have set out. The world's most glamorous and well groomed women regard their luxury baths as a beauty ritual.

TOPICS OF THE DAY

"Project Poster"

Army-wide distribution of the poster, *Essential — Your United States Army*, in conjunction with Army Day, June 14, marks the release of the third in this colorful series of six posters designed to point up the characteristics and objectives of today's Modern Army.

The *Essential* poster calls attention to the essential role of the Army in deterring aggression or winning any type of war.

Each of the posters in the series of six is devoted to one of the principle themes chosen for emphasis during the current year in demonstration of the Army's role in National Defense.

First of the posters, entitled, *All For One And One For All*, released early in the year, emphasized the "One Army" theme and the mutual role of the Active Army, the Army National Guard, the Army Reserve, and the skilled and dedicated civilian employees, in accomplishment of the Army's mission.

The second in the series, distributed during April, coincided with the Army's *Project Man* demonstration at Fort Benning, Georgia, where Modern Army equipment and ground combat techniques were displayed before top-level representatives of government, industry and press. Title of this poster is *Keep Your United States Army Modern*.

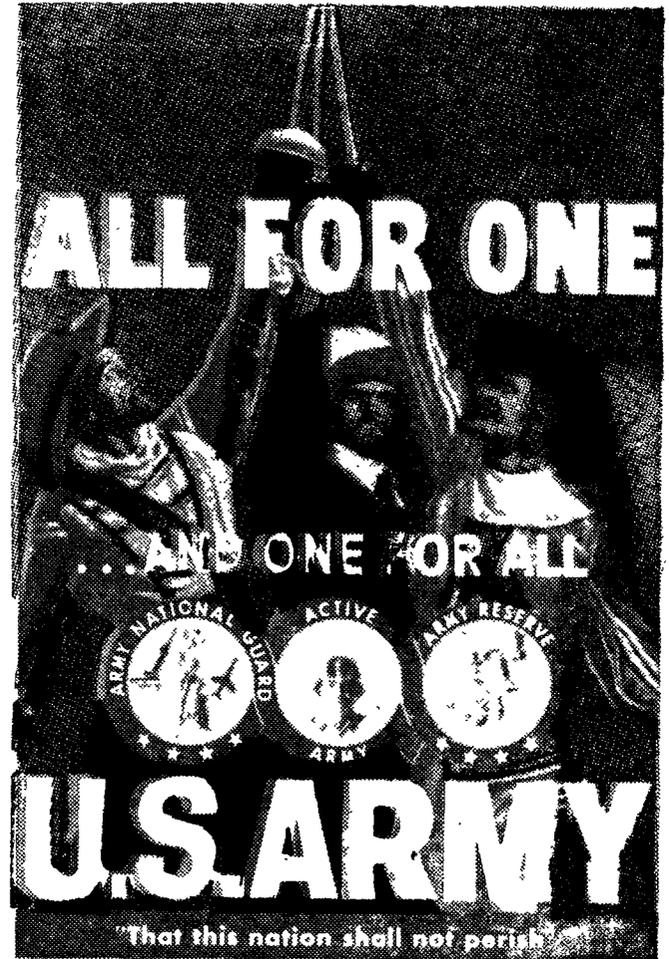

In August of this year, the fourth poster in the series will illustrate the theme *The Soldier Is Tops*. This theme emphasizes the fact that the soldier is still the indispensable element for the defense of the Nation. More than ever before, today's soldier must be strong in all the "old fashioned" virtues of courage, loyalty, determination, physical vigor, and unshakeable faith in his cause. To this end, the personnel standards of today's Army are at an all-time high.

The fifth poster is scheduled to be distributed so as to coincide with Veterans' Day, November 11th. Entitled *Security - Any Time, Any Place, Any War*, this poster serves as a reminder that the function of the Army is to operate, at any time and in any place, in all kinds of war with greater combat effectiveness than any enemy. It is a reminder that the deployed forces of the Army in the critical areas of Europe and Asia are unmistakable proof that we stand ready to back up our international commitments — that not one foot of ground has been relin-

quished to an aggressor in those countries where our soldiers are physically present.

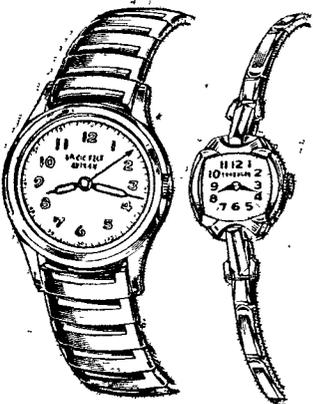

The last poster in the series, to be released in December, returns to the "One Army" theme. The Army's vital war deterrent responsibility is mutually borne by the active Army, the Army National Guard, the Army Reserve, and 400,000 civilian employees, — truly one mighty team — *One Army*.

While the Army recognizes the simple fact that themes and posters alone will not make an Army, it also recognizes the fact that the goals and objectives of an organization must be known and understood by all if those goals and objectives are to be won. This series of posters will serve as constant reminders, not only to those in uniform, but also to those occupied with civilian pursuits, that the essentiality of the Army to the defense of the Nation is a very real thing.
