## CFC TO OPEN MONDAY

### Gen. McBride Is Keynote Speaker

Brig. Gen. George H. McBride will deliver the keynote address on Monday when representatives of the Missile Command and other Federal agencies in the Huntsville area gather at the Rocket Auditorium for the traditional kickoff rally opening the 1970 Combined Federal Campaign.

The acting Commanding General of the Army Missile Command will be the featured speaker at the 9 a.m. assembly that brings together the key workers who will bear the responsibility for conducting the lone fund raising drive of the year in the local federal establishment.

Joining Gen. McBride on the rally agenda will be officials from each of the member agencies of the CFC and the recipient agencies.

The latter personnel, representing the Huntsville-Madison County United Givers Fund, the National Health Agencies and the International Service agencies, are expected to express personal thanks for the tremendous response last year and to point out

the continuing need for voluntary contributions in support of their humanitarian work.

Also appearing on the kickoff program will be the 55th Army Band and well-known Huntsville soloist, Al Page, who will close the rally by singing the National Anthem.

Huntsville area Federal employees together with satellited contractor personnel answered the annual appeal with voluntary contributions totaling over a half million dollars last year.

Gen. McBride is serving as general chairman for the 1970 drive with Robert Malone returning for his third year as the area CFC coordinator.

Malone said that the once-a-year solicitation will be conducted within the 15 Federal agencies over a five-week period. However, he is hopeful that the person-to-person canvass will be concluded earlier.

The coordinator based his hopes on greater familiarity with the campaign procedures that have remained unchanged through four (See CAMPAIGN on Page 3)

**ARMY CIVILIANS HONORED**—Maj. Gen. Charles W. Eifler chats with three of his top civilians at Redstone Arsenal after honoring them Thursday with Meritorious Civilian Service Awards. The Commanding General of the Army Missile Command, who is leaving for a new assignment in Europe, praised the trio for "... your major contributions to Army programs." From left are David G. Harris, Missile Command Public Information Officer; Gen. Eifler; Luther F. Adams, Deputy Civilian Personnel Officer, and Paul K. Schaeppi, Deputy Director of the Procurement and Production Directorate.

## Three Army Missile Command Men Get Meritorious Civilian Service Awards

Three Army Missile Command civilians were lauded Thursday for outstanding contributions to Army programs and given the Meritorious Civilian Service Award.

Maj. Gen. Charles W. Eifler, Commanding General of the Missile Command, made presentations

to Luther F. Adams, David G. Harris, and Paul K. Schaeppi. It was the final awards ceremony at Redstone Arsenal for Gen. Eifler who is leaving for his new assignment in Europe.

Each received a Certificate of Achievement and the handsome

medal emblematic of the award, which is the second highest given by the Department of Army.

Adams is the Deputy Civilian Personnel Officer, Harris is the Missile Command's Information Officer, and Schaeppi is Deputy Director of the Procurement and Production Directorate.

In making the award to Adams, Gen. Eifler praised the personnel officer "for his many outstanding contributions to the operation of a highly efficient, comprehensive civilian personnel program."

Foremost among his many achievements, according to the departing Commanding General, was in directing the operational aspects of the Command's Equal Employment Opportunity program.

Adams has also distinguished himself through his leadership in increasing applications of automatic data processing procedures to Civilian Personnel records.

A native of Centreville, Ala., Adams came to work at the Arsenal soon after graduating from the University of Alabama in 1951. His entire Federal service has been spent in personnel work.

Outstanding direction of the Missile Command's public relations program over the past nine years was the basis of the recommendation of Harris for the Meritorious award.

The citation for Harris read, in part: "His sound judgement and superb journalistic ability are credited with fostering and enhancing relations between the Army elements at the Arsenal and the local community."

Specifically noted by Gen. Eifler was the determined effort by Harris in supporting plans for the Alabama Space and Rocket Center, which will open to the public early next year.

He has also rendered distinguished public relations service in advancing the Huntsville-Army Advisory Committee and the Tennessee Valley Chapter of the Association, U. S. Army.

(See THREE on Page 3)

**EXPLAINING REDEYE**—Describing the Redeye missile simulator to SSG Morley D. Toney is instructor Ralph K. Coleman of the Army Missile Command. (U.S. Army Photo)

## Two From Redstone Teach Redstone Course In Panama

Fort Amador, C. Z.—A Redeye missile maintenance course is currently being conducted under supervision of two Redeye equipment specialists at Corozal.

Conducting the three week training, which consists of 120 classroom hours and includes all items of equipment which make up the Redeye system, are Dixon N. Weaver and Ronald K. Coleman of the Army Missile Command. Both work in the New Equipment Training Division, Supply and Maintenance Directorate.

They are instructors in Redeye missile maintenance, the Redeye

simulator and test set.

"The operation and maintenance of the test set is one of the areas which is most extensively taught," said Coleman. "The test set is designed to test the readiness of the Redeye missile and the operational trainer."

At the completion of the course, certificates of training will be presented to students.

The two instructors are also presenting an eight hour refresher course dealing with the operation and firing of the missile to the Redeye gunners of the 193d Infantry Brigade.

## More Parking Spaces Will Be Available To Early Ones

More parking spaces on a "first-come, first-served" basis at the Missile Command is one result expected from the recently negotiated contract between the American Federation of Government Employee Local No. 1858 and Command management officials. The contract is awaiting approval by the Department of the Army in Washington.

One article of the contract outlines procedures intended to make the assignment of reserved parking places more realistic and equitable for all employees.

A survey is being conducted to determine the requirements of the various organizations of the Missile Command. The control of reserved parking spaces will be on a building-by-building basis according to the need of each.

The contract says that reserved parking spaces will be made available to accommodate physically handicapped personnel, visitors and official vehicles.

Assignment of other reserved spaces to individuals "will not be below Field Grade Officers, Division Chief or comparable level." A military or civilian grade shall not in itself be the basis for assignment of a reserved parking space, officials have explained.

"No more than one parking place will be assigned to an individual," the article continues. And "employees who are below the above levels will not be permitted to utilize parking spaces of other employees. Specific exceptions may

be made to this policy by the Chief of Staff, Army Missile Command."

The article says further "When more than two people who meet the criteria in the paragraph above are in a carpool, a maximum of two parking spaces will be assigned. Any driver in the carpool may utilize the assigned spaces.

"Assignment of reserved parking spaces for other than Missile Command employees will be determined by the Commander or his designated representative.

"All other parking spaces will be on a 'first-come, first served' basis."

In those cases where disputes arise relative to the administration of the portion of the article on assignment of reserved spaces for carpool members, the disputes will be handled in accordance with employee complaint and grievance procedures.

Queries regarding the provisions of this contract article may be directed to Abner McNaron or LTC Russell A. Simpson at 876-7909.

## Hawk Lets Contract For \$3.1 Million

A \$3,135,156 U. S. Army contract has been awarded to Raytheon Company's Missile Systems Division for work on the Improved Hawk missile system.

Work under the contract, a modification to an existing contract, calls for design and fabrication of factory test equipment.

(See HAWK on Page 3)

# The Redstone Rocket

The Redstone Rocket is published weekly, on Wednesdays. The publisher will receive editorial content for publication in the Rocket only through the information Office, Army Missile Command, Redstone Arsenal, Ala., 35809, Bldg. 5250, Room A-136, Extension 876-1400 or 876-1500.

All advertising copy and payments therefor are received by Mrs. Vergie Robinson, P. O. Box 346, Huntsville, Ala., 35804, telephone 534-4701, as representative of the publisher. Advertising deadline—both display and wanted—is 10 a.m. Monday before publication.

The Redstone Rocket is distributed free of cost to personnel at Redstone Arsenal. Mailing rates off post for the Rocket are \$7.42 a year, or \$4.00 for six months, tax included. Mailing arrangements may be made with the publisher, P. O. Box 520, Huntsville, Ala. 35640.

## Rocket Ruminations

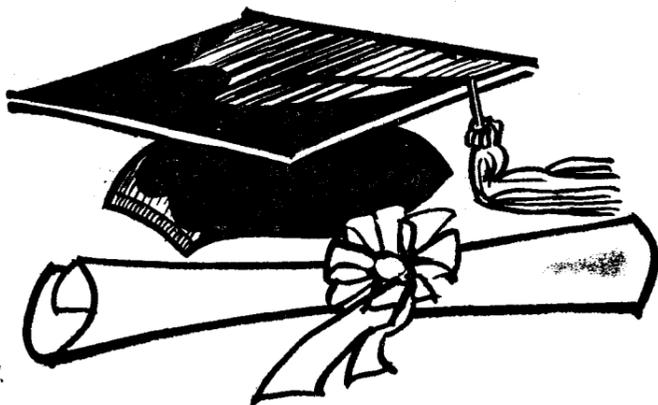

I prefer an accommodating vice to an obstinate virtue.  
—Jean Baptiste Moliere

## It's Up To You

One of the most admirable pursuits of the Department of Defense is its urging military personnel to further their education.

The encouragement by the Pentagon is designed to offer personnel the opportunity to perform their assignments more effectively, prepare them for more responsibility and to increase their chances for promotion and better living.

The importance of education for the Armed Forces is evident by the high education levels already existent. Defense-wide, 73% of the commissioned officers have college degrees, 91% have completed some college work; 22% of the enlisted personnel have completed some col-

lege work, approximately 2% have college degrees, 83% being high school graduates.

Thirty years ago a high school graduate, with ambition, could land a job—and a good job—without too much difficulty.

Not today.

In these times, almost the first question asked by a potential employer is: "Where did you go to school?" And he doesn't mean high school. He means, from what college were you graduated.

The young man today who does not have a college degree is virtually destined to a lifetime of lower-pay. With a college degree, plus ambition, the sky's the limit.

For those without ambition—forget it.

For those with ambition, the road is wide open—it's up to you. The opportunity for a college education is available to anyone who really wants it.

Take it—and good luck.

# Col. J. N. Jean Retires, Will Live In Huntsville

"The outstanding relations between the Huntsville civilian community and the military at Redstone Arsenal are the finest I have seen anywhere in the country during my military career."

These are the observations of Col. J. N. Jean, Director of the Army Missile Command's Arsenal Support Operations Directorate (DASO) who will retire from active military duty this month to become Senior Advisor to the Grissom High School ROTC unit in Huntsville.

He has spent eight years of his military career at Redstone.

Col. Jean was assigned to the Army Ballistic Missile Agency in 1956 and was on hand when ABMA was consolidated with the Army Rocket and Guided Missile Agency in 1958 to form the Army Ordnance Missile Command. Following this consolidation, Col. Jean was named Secretary to the General Staff, a position he held until his transfer in 1961.

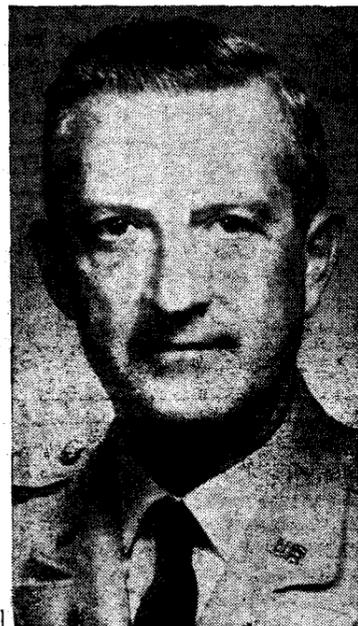

A native of Otwell, Indiana, the Colonel graduated from Indiana University with honors in 1939. Upon graduation he accepted the Distinguished Military Graduate's commission in the regular Army from the University ROTC program.

During World War II he served with the 42nd Division which participated in the Rhineland, Central Europe and Ardennes-Alsace Campaigns in Europe.

In 1949, Col. Jean received his Master's degree in Physics and Optics from the University of Rochester. Subsequent assignments were at Sandia Base, New Mexico, with the Armed Forces Special Weapons Project; Killeen, Texas, where he served as Executive Officer of the Special Weapons Unit; and at Fort Knox, Ky., as a student in the Armored Officer Advanced Course.

In the Korean Conflict, he served as Battalion Commander with the 32nd Infantry and later as Senior Advisor to the G-2 of the First Republic of Korea (ROK) Army.

Other assignments were as Director, Nuclear Weapons Group, Picatinny Arsenal, New Jersey; and attendance at the National War College, Fort McNair, Washington, D.C. In 1963 he served as Deputy Ordnance Officer with the

COL. J. N. JEAN

U.S. Army, Europe.

While serving in Germany the Colonel took command of the 57th Ordnance Group and reorganized the unit into the 57th Ordnance Brigade as part of the realignment of the 7th Army. In 1965 he was assigned to the Supply and Maintenance Agency, USACOM-ZEUR, as Chief, Plans Division.

The Colonel is married to the former Martha Parrish of Bloomington, Indiana, and they have three children, Susie, a married daughter, Ellen, now attending Rice University, and Kip, a son, attending the University of Alabama.

After retirement the Jean family will live at 8515 Hickory Hill Lane in Huntsville.

A male member of India's Toda tribe knows each buffalo in his family's herd by name and temperament, says the National Geographic Society book. He also recognizes buffalo of other herds as individuals, and often can identify in photographs many of the Todas' 3,000 animals. (AFPS)

# Army Fires 2 Pershings

Two Army Pershing missiles, mounted on highly mobile 5-ton wheeled vehicles, were launched under tactical conditions from Blanding, Utah, Tuesday afternoon.

Both missiles, fired by soldiers from the 4th U. S. Army at Fort Sill, Okla., landed minutes later on pre-selected targets at White Sands Missile Range, N. M.

Pershing is the Army's most powerful land combat missile. The program is managed by the Army Missile Command, under Col. Rutledge P. Hazzard, Project Manager.

These firings for the troops represent annual service practice. Another pair of missiles will be fired later this month to conclude the fall series.

## IT'S THAT TIME AGAIN, CHEZ PUP

The annual survival measures exercise, Chez Pup 69, (pronounced Shape Up), will be conducted next week by all elements of the U. S. Army Missile Command and by agreement with the U. S. Army Missile and Munitions Center and School.

Lawrence Miller of the Arsenal Support Operations Directorate has conducted training for 378 radiological monitors and will wind up training of shelter managers on Friday.

The overall operation of Chez Pup 69 is the responsibility of the Comptroller and Director of Programs at the Missile Command with John B. Mills assigned as action officer.

Not everyone will be required to participate,—only key personnel needed to test the operational readiness and adequacy of all Redstone warning systems; the operational readiness status of key personnel, equipment and transport; and the tactical proficiency of the Redstone Emergency Security Force.

A limited rehearsal of shelter occupation and evacuation procedures will assure that members of the various emergency operation organizations are familiar with current procedures, assigned duties, location of emergency operating sites and emergency operation procedures.

previous drives and will be continued again this year.

Malone has met with the area coordinators for each of the agencies during the preliminary stages of the campaign for the purpose of re-emphasizing the drive mechanics.

Assisting with the pre-campaign organizational meetings have been Al LaGrone, the Missile Command coordinator, Fred Judge, the training officer, John Martin, finance chairman, and Marietta Graves, who is in charge of the payroll deduction procedures.

Federal agencies included in the Huntsville area Combined Federal Campaign are: the Missile Command, the Marshall Space Flight Center, the Missile and Munitions Center and School, the Safeguard Systems Command, the Safeguard Logistics Command, the Huntsville Division of the U. S. Army Corps of Engineers.

Also the Social Security Admin-

**TO RETIRE**

The staff sergeant major for the Arsenal Support Operations Directorate, SSM Edgar R. Slayton, will be among the retirees this month. SSM Slayton came to the Troop Command as a first sergeant. He has more than 30 years of Army service.

MSG Robert E. Kreiger, in the same Directorate, will also retire as will SP6 Charles E. Zeigler of the 95th Calibration Company.

The three list Huntsville as home.

istration, the Federal Housing Administration, the U. S. Civil Service Commission, the Economic Development Administration, Tennessee Valley Authority, Internal Revenue Service, Defense Contract Audit Agency, U. S. General Accounting Office and the Defense Contract Administration Service Office.

Contractor personnel employed by the Thiokol Chemical Co., and the Rohm and Haas Co. at Redstone Arsenal also participate in the drive.

**Thiokol Flies 500th Castor Rocket Motor**

The 500th flight of a Thiokol Chemical Corporation Castor I solid propellant rocket motor helped launch an Athena vehicle from Green River, Utah, on Sept. 9.

The Castor I motor, 230-in. long and 31-in diameter, has been used on experimental and scientific vehicles for NASA, the U. S. Air Force, and other government agencies. The vehicles included the Little Joe, Blue Scott, Jr., Athena, Scout, and others.

It was the first in the Castor family of Thiokol rocket motors and was followed by the Castor II and the Castor IV. The Castor II, a higher performance motor, has also been used on such programs as the TAT/TAD (Thrust Augmented Thor and Thrust Augmented Delta) to launch the INTEL-SAT III, NIMBUS, OGO-F, INP-G, and BIOS scientific and communications satellites.

The Castor IV, newest and largest of the Castor family, has successfully passed static tests during the pre-production qualification program now underway at Thiokol's Huntsville Division. The 30-ft. long, 40-in. diameter Castor IV weight more than 23,000 pounds and delivers a total impulse of more than 4,780,000 lb/sec.

**Chaparral Contract Let**

A \$4,200,000 contract has been awarded by the U. S. Army to the Aeronutronic Division of Philco-Ford Corporation to cover components for Chaparral missile system ground support equipment.

Work will be performed at the corporation's Anaheim, Calif. plant.

Chaparral was developed to provide defense against medium and low-flying aircraft in forward battle areas. The Chaparral Management Office at the Army Missile Command, headed by LTC Donald H. Steenburn, directs development, production and field support of the weapon system.

The missile Command Procurement and Production Directorates, headed by LTC James T. Haynes, executed the contract for the Army.

**HAWK**

(Continued From Page 1)

Hawk is the Army's air defense system that can search out and destroy attacking aircraft at altitudes less than 100 feet and more than 38,000 feet.

The Hawk program is managed by the U. S. Army Missile Command under Col. J. R. M. Covert, Project Manager.

Number Six in a Series . . .

**"I Will Prepare Myself . . ."**

By Mike Rothenberger  
Staff Representative

Dale Carnegie & Assoc., Inc., New York.

Copyright 1965, Dale Carnegie & Assoc., Inc.

June is a fortunate woman! She is dark and strikingly attractive. She is married to a prominent and very successful business man in a small western community. June has five lovely children and a beautiful home. She has a magnetic personality, and all who meet her recognize her genuine self-confidence, that calm self-assurance that lets others know she is in full control of herself in any situation. But it was not always that way with June. Just a few years ago she was a shy, backward, frightened, and terribly inhibited individual. She was miserable at the thought of meeting other people, whether they were strangers or those she knew. She would, literally, stay away from people. She would avoid meetings of the P-TA, and other organizations in her community, because of her dreadful fear of others.

Fortunately, June found the solution to her one great problem. She overcame her fear of people. Someone convinced her that, if she would learn to stand before a group of people and express herself, she would develop a genuine confidence in herself that would spill over into every phase of her life.

She finally accepted the challenge. It was hard for her at first, and within a period of three short

months June awoke to the thrilling realization that her fear was gone.

About one year later, that once poor, shy, miserable, inhibited girl, who had been held back only by her deep seated fear of people, was invited to serve as chief hostess for a national convention. She readily accepted, and enjoyed the time of her life throughout the entire event.

June had found the quickest and easiest way to develop a foundation of genuine self-confidence. She was released from a mental bondage of false inhibitions and fears. She was free to express her true self and to become, in the eyes of those who knew her, a much more interesting woman.

June did not aspire to be a public speaker, although on several occasions she found it fun. Her real interest was the by-product, the self-confidence that permeated every phase of her life was the most important. Countless thousands of both men and women have found the same secret. They have found that when they lose their fear of an audience they lose, at the same time, many of their other fears as well. They have found that, through the development of our personal abilities, we can prepare ourselves for a richer and more rewarding life.

# Chaplains Hold Training Conference In Maryland

Two Missile Command Chaplains, Col. Robert F. Mashburn and Lt. Col. William W. Owen, are on the program for the Army Materiel Command Chaplain Training Conference meeting this week at Christian Brothers Retreat House in Adamstown, Md. This is the seventh annual meeting of AMC Chaplains.

AMC Staff Chaplain (Col.) Lee A. Cousin is directing the three-day conference that is expected to emphasize the new style of character guidance.

Chaplain Cousin also said that the conference is designed to provide professional training and skills, policies, procedures and techniques for AMC chaplains.

Highlighting the conference was the keynote address by Chaplain (Brig. Gen.) Ned R. Graves, Deputy Chief of Chaplains, Department of the Army, during a luncheon, yesterday, and guest remarks from

AMC's Chief of Staff, Maj. Gen. Leo B. Jones, during a dinner last evening.

## Industrial Engineers Announce Short Course

E. A. Hester, president of the Huntsville Chapter, American Institute of Industrial Engineers, announces the 7th Annual Short Course to be held at the Sheraton Motor Inn on Oct. 16-17.

The Short Course, whose theme is "The Engineer and Computer Graphics," is designed to clarify what equipment and procedures are now available to the engineer in this new field of electronic graphics.

Professor Charles M. Strauss, Brown University, will speak on "Computer aided Design of Piping Layouts," MSFC, IBM, UNIVAC, Teledyne, Controldata Corporation, Lockheed, Computer Sciences and the Boeing Company speakers will appear during the 2-day sessions of the short course. Thomas E. Borton, Research Associate, University of Michigan, will talk on "Computer Generated Display Technique in Gaming Simulation for Urban Studies." The Boeing Company will host a demonstration during the conference period.

Reservations are now being taken by Joe Kilgore (Automatic Electric) or at 3912 Broadmor Rd. NW, 852-1281.

Aug. 16 — Dateline 1777 — The "Green Mountain Boys," American troops under the leadership of Col. John Stark, defeated the British at the Battle of Bennington, Vt.

## Harvest Ball Planners Are Almost Ready

The various committees for the 7th annual Harvest Charity Ball are busily engaged in final plans for the gala formal dinner dance to be held on Saturday evening, the eleventh of October. Members of the decoration committee have taken their cue from this year's theme, "Stairway to the Stars," and promise that the decorations will indeed be star-studded and beautiful.

Tickets for the event are still available from Mrs. Arthur G. Lange, Jr. and she and her committee will continue to sell tickets on Thursday evenings, 6:30 to 7:30 p.m. at the Officers' Open Mess. They will also be selling tickets at the Mess on Tuesday, Sept. 30th and Wednesday, Oct. 1st from 11:30 a.m. to 1:00 p.m. All proceeds from the ticket sales will go to charity.

For the first time, those attending the Harvest Ball will be enjoying the music of two distinctly different bands. For dancing throughout the evening the entertainment committee has engaged the Lewis Combo and for special entertainment and music guests will hear the fabulous "Southern Comforts."

Mrs. Robert G. Marshall is honorary chairman of this year's Harvest Ball with Mrs. E. M. Riddlehoover serving as general chairman. Other members of the committee are Mrs. Robert J. Bennett, menu chairman; Mrs. Lange, ticket chairman; LTC & Mrs. John S. Farrington, Jr., entertainment chairman; Mrs. J. B. Levaas, decorations chairman; and Mrs. K. W. Gooch, publicity chairman.

## University Offers Season Tickets To Cultural Series

Season tickets are on sale for the 1969-70 University Cultural Series Sponsored by the University of Alabama in Huntsville, this year's program can only be described as swingingly contemporary.

A modern jazz trio, an avant garde rock-jazz trio, a classical and flamenco guitarist, an improvisational theater group from New York made up of five young actors, and the Southern Folk Festival will perform in the UAH Student Union during the year.

Brochures may be obtained at Bookland, Andan's, University of Alabama in Huntsville, Room 18, Morton Hall. Season tickets are

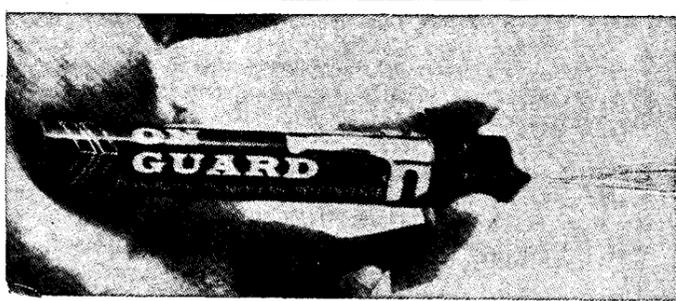

\$10.00. Special student rates offered for a limited time, \$5.00. Season tickets may be purchased at UAH, Room 18 in Morton Hall. For further information call 895-6114.

### STAGE SHOW

"The Souls Sessions", a local rock n'roll band and John Sikes, ventriloquist, will head the list of entertainers scheduled to appear at the Service Club on Sunday at 8 p.m.

"The Souls Sessions" has appeared at many functions in surrounding towns and are popular with the local rock n'roll fans.

Enlisted men may invite guests to all stage shows at the Service Club.

## STOP ANY ATTACKING RAPIST, MUGGER OR GANG, INSTANTLY!

They become harmless, coughing and staggering blindly while you escape or summon help.

Suddenly without warning, you or a loved one could be the victim of a brutal attack. It could happen at any hour, on any street, even in your own home or business.

### NEVER BE AFRAID AGAIN . . . OF ANYONE!

Even a frail woman or elderly man can completely disable the toughest rapist, mugger, even a gang, INSTANTLY. One spray with ON GUARD and attackers are stopped in their tracks, coughing and gasping, staggering around blindly. They become helpless and harmless for up to 10-15 minutes. More than enough time for you to escape or summon help.

Even If You're The Kind Of Person Who Would Never Dream Of Carrying A Weapon Or Tear Gas Gun, You'll Want ON GUARD Because It's . . .

SAFE—

IT WILL NOT CAUSE PERMANENT INJURY!

ON GUARD is a powerful deterrent yet it cannot cause permanent injury. It is so incredibly easy to use you need no strength, marksmanship or permit. The effective range is from

close up to 10 feet away and you can fire up to 20 bursts. So compact you can conceal it neatly in the palm of your hand. It's about the size of a pen so you can carry it in a purse, clipped to your pocket, car visor, or near your bedstand. ON GUARD ends worry about your safety and the safety of your loved ones.

### NO-RISK MONEY-BACK GUARANTEE

Order ON GUARD with Confidence. Keep it for 10 days. You must be completely delighted with it or return it for full cash refund.

Worth many times its low price just for the security and peace of mind it gives you. Makes a considerate and appreciated gift for friends and loved ones.

Only \$2.98

## FIVE GRADUATES RECEIVE AUSA HONOR PLAQUE

Five soldiers at the Army Missile and Munitions Center and School received the Association of the U. S. Army plaque during graduation ceremonies Friday morning in the Post Theater.

AUSA presents awards to those honor graduates who achieve a grade average of 96.0 or better during their course work. Private Bradley Thrall topped all the graduates with a 98.8 average in an ammunition records course. Other AUSA winners included Private Scott Hemleben with a 96.7 in an ammunition storage course, Private Melvin G. Gamble 97.6 in a Pershing Electrical-Mechanical repair course, 1Lt. James L. Burch with a 96.1 in an ammunition officer course, and PFC Paul M. Christianson with a 96.0 in a Land Combat System Support course.

LTC James H. Blankenship, Chief, Hawk Division, spoke to the 94 graduates which included six missile and ammunition classes.

JOHN W. PATTON, District Manager

Presented by Leadership Training Services

# Dale Carnegie Course

Planned For Success Minded People

1305 No. Memorial Parkway — Telephone 536-9501

Diplomat Inn Office Center • Huntsville, Alabama 35810

September 24, 1969

YOU are invited to be my guest for Dinner.

This is a friendly DINNER INVITATION to you to be my guest at 6:45 p.m., Wednesday, Oct. 1 or Thursday Oct. 2, at the Albert Pick, Azalea Room, North Memorial Parkway, Huntsville. The dinner and evening will be WITHOUT COST and there is absolutely NO OBLIGATION.

You will be GIVEN - - -

1. Copy of Dale Carnegie's best selling book—"HOW TO WIN FRIENDS AND INFLUENCE PEOPLE."
2. A valuable 'self-rating sheet' to help you with personal evaluation and development.

You will HEAR - - -

- about the interesting experiences others have had while taking the course.
- about SIX skills which will enable you to achieve your goals and desires.
- an amazing MEMORY demonstration and learn a useful aid to help YOUR memory.
- about HOW you can REMEMBER NAMES.

If . . . earning more money . . . being more successful . . . enjoying people more . . . worrying less and LIVING A HAPPIER LIFE are your objectives, you will want to know about the Dale Carnegie Program starting in Huntsville and HOW it will enable you to do these things . . . AND HAVE FUN DOING IT.

One of the greatest factors in a person's social, business and professional advancement is EFFECTIVE SPEECH. You are in the limelight when you speak in public. Regardless of how certain you may be that it cannot be done . . . YOU can learn to speak EFFECTIVELY before groups — LARGE or small, and even enjoy the experience. THERE ARE NO EXCEPTIONS TO THIS.

Please accept this friendly invitation to you, your wife and friends who may be interested. By reservation only. Just clip Reservation Slip below and mail to Dale Carnegie, 1305 No. Memorial Parkway, Huntsville, Ala. 35810, and make reservations for a worthwhile evening. YOU WILL ALWAYS BE GLAD YOU DID.

Name .....

Number Attending .....

Date: Wed. or Thurs. ....

.....

.....

Clip and mail now for reservation

Sincerely,

JOHN W. PATTON

# Arsenal Fielder Named Third Army All-Star

Parris McGhee, leftfielder from 522d Ordnance Company, was named to the all-tournament team representing Redstone Arsenal's All-Stars at the recent Third Army championships at Ft. Rucker.

McGhee batted .500 (7-for-14) and slammed a home run in the final game to aid a 9-7 victory over Ft. Stewart. He also hit a double, scored twice, walked twice and batted in three runs in the five-game tourney.

Redstone won its last two outings, also defeating Hunter AFB 10-5, after losing three straight—to Ft. McClellan 4-2, Ft. McPherson 6-2, and Third Army Support Group 3-2.

Fred Helmer (MICOM), who was the victim of errors and slim hitting in losing the first and third games, came on to hurl three hitless innings to protect a win for Rich Hailey against Hunter, then complete his lone victory in the finale.

Ron Lockwood (522d), was the loser in the middle defeat, with Helmer also relieving that one to give him five appearances.

Jesse Hawthorne (Co. B) and Jim Porter (SOC) each collected five hits, and two of Hawthorne's were homers as he led the team with six runs batted in. Porter had a homer and four rbi's, Chester Dixon (MP's) three on four hits, Robert Snyder (522d) two on two hits.

Rod Veach (Co. D) two off four hits, and Charles Brooks (Co.A), Steve Gustafson (Co. B) and Lock-

wood each knocked in one run. Veach, who led the squad with five runs scored, and Don Kern (SOC) each rapped a pair of doubles. Hawthorne also walked five times while compiling a .385 batting mark.

Manager of the team at the tournament, won by McPherson, was Walter Pollock of the 522nd Ordnance Company.

## Hard Hats Take Undisputed Lead

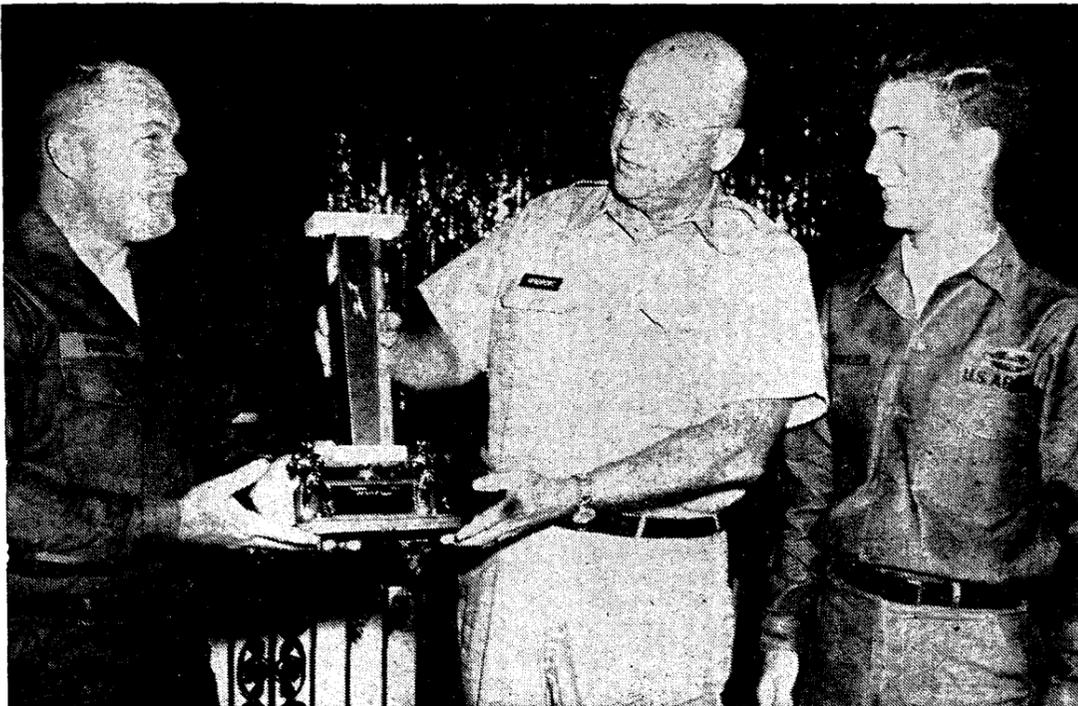

The Huntsville Division Engineers' Hard Hats broke a three-way tie for first place and moved out to a six-point lead in the RSA Officers bowling league last week.

Henry Mattern shot a 540 in setting the pace for the Hard Hats in sweeping a set with the MICOM MIDiots, one of the previous co-headers of the top spot.

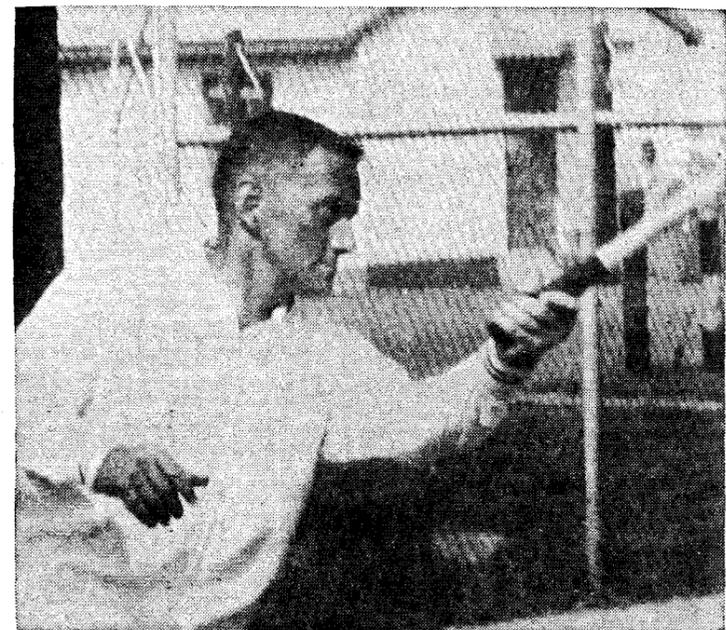

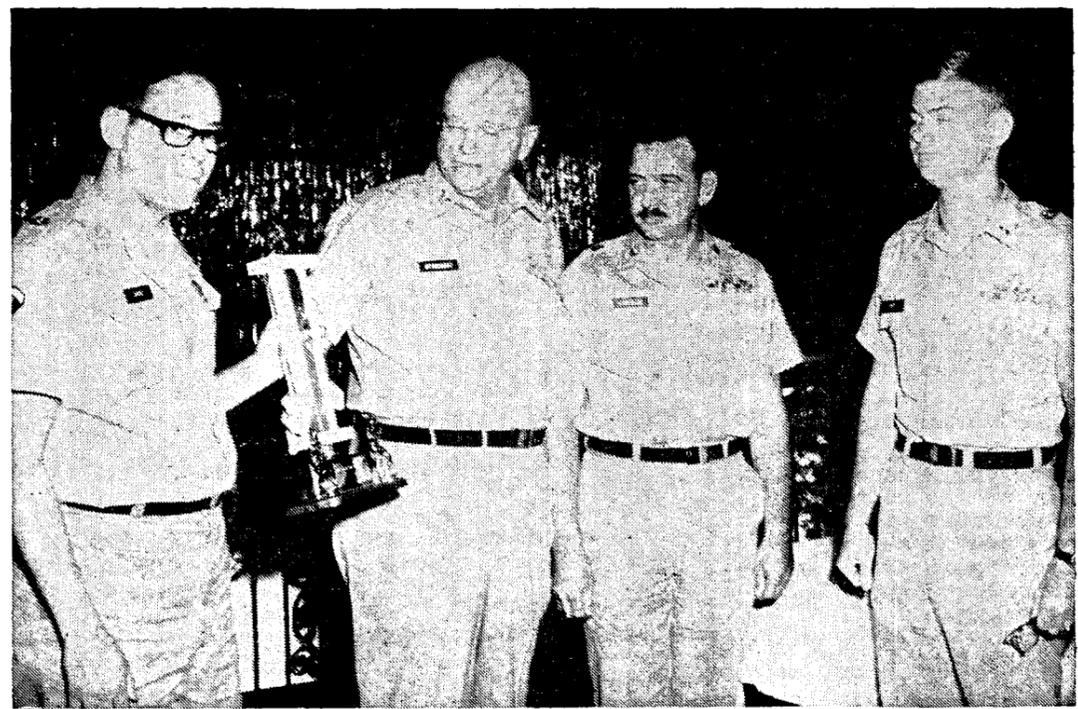

The third co-leader at the start of the weekly session, the MICOM D-2s, fell eight points off the pace in losing four games to the Met-Cals.

The Lucky Strikes eased past the MICOM quintets by taking three out of four from the SAF-LOG Loggers.

Don George of Sperry Rand accounted for the best game of the week, a 223, while Roy Parmalee shot a 549 for the Sandbaggers to take individual scoring honors. Bobby Bishop was third high with 530 for the SAFSCOM Wheelers.

**MILITARY SOFTBALL**—Col. Mac D. Hendricks, Deputy Director, DASO, presented the championship and runner up trophies for the 1969 season of play in military softball at the Service Club last week. In the above shot, player-coach Fred Helmer (left) accepts the championship trophy won by the Missile Command with Capt. James Fowler, Commanding Officer, at the right. The runner up trophy was presented to D Company represented by James Baird (left), coach Henry Asselin, and Capt. D. Brent Page.

**BILL KELLENBERGER . . . Undisputed Champ.**

# Bill Kellenberger Sweeps Tennis Tourney Honors

Members and dependents of the Redstone Arsenal Officers Club have completed their first annual

RAOOM Tennis Tournament. The tourney had approximately 60 entrants in the overall competition.

Bill Kellenberger captured the first place trophy in the men's singles division by defeating Bill Wray in the final round. Thirty-four men were entered in the event.

Kellenberger and Wray teamed up to take the men's doubles, but not without some strong competition from Ricky Grigsby and Bob Mashburn who were runner-ups.

Ann Hazzard defeated Jane Perkins for the top spot in the women's singles bracket. Hazzard and Perkins pooled their efforts to oust Marion Bales and Georgia

## RSA Wives Place In Florence Meet

Both the 18-hole and 9-hole groups of the Redstone Officers Wives Club played Blind Bogey tournaments on play day.

Camille Schlendering was the winner in the 18-hole group with Patch Allen and Billy Shuput tied for second place.

In the 9-hole group Jane Cook and Marie Melochek deadlocked for first. Sue Huffman was second and Lucille Johnson scored low putts.

The week before in the Florence Country Club Invitational Mae Levaas won the first flight and Midge Clisson placed second in the fifth flight and also placed her ball closest to the pin on the seventeenth hole.

Hopkins for the women's doubles title.

The members plan to develop tennis as a club sport in the hopes that they can compete locally in tournaments and leagues. The members plan to continue the annual event with more entrants expected next year.

The initial round of the tournament was held Sept. 6 with the semi-finals last weekend. Trophies were presented to the winners and runners-up in each division.

## Rocket Want Ads Get Results

What do you call the economy 2-door that goes over 90 m.p.h. Rides on a suspension like \$6000 cars. Sips gas so you wonder if the gauge is right. Stops disc-brake-sure. Gives you goodies like buckets, whitewalls and a whisper-quiet fresh air system at no extra cost? It's the sound move!

# DATSUN/2

It costs just \$1,995. Delivered complete in Huntsville.

JERRY KEAGY

## Keagy Is First On Honor Roll

Jerry Keagy survived a slow third game to post the first Honor Roll count of the season in the AMC-Civilian Welfare bowling league at the Playmor last week.

The star Bomber opened with games of 227 and 233 before a trio of splits cut him down to 179 in the final game. But his 639 was enough to get the Bombers a 3 to 1 win over the Voyagers and into a four-way tie for the league lead.

Bob Brand added a 546 to the attack as the Bombers shot past the 3000 mark for the second straight week with a 3025 that included a 1088 second game.

The Bandits were knocked out of sole leadership with a 3-1 loss to the Wonnors despite a 555 by John Goltz and a 536 by Fred Helmer.

The Travellers and the Metro-Cals joined the Bombers and Bandits at the top by winning three points from the T-Birds and Alley Cats, respectively.

Jim Watts continued to lead the Traveller attack, this time with 531, while Alex Yourich topped the Metro-Cals with 530. Reggie McLaney shot a 543 in the losing Alley Cat cause.

The Raiders scored the only sweep of the evening at the expense of the Avengers as Ed Gilgenast broke in with 552 and the

## Eagles Claw Blue Devils For 8-0 Win

The Golden Eagles scored a second half touchdown and made it stand up for an 8-0 win over the Blue Devils as the two Redstone entries in the 70-pound class of the Huntsville Parks and Playground football league battled last week.

In the only other game involving Arsenal youths, the 95-pound Rebels hung a 20-8 defeat on the Northern League.

The Eagles and the Devils struggled through a scoreless first half with neither being able to mount a serious threat. Rodney Dingle was the defensive standout for the Eagles with John Schoen and Richard Jefferson sharing honors for the Devils.

Soon after the second half kickoff the Eagles started to move the ball and sustained a drive that covered 74 yards for the score. Lee Carroll carried the ball in from the ten on a double reverse and Bert Sandwich dove over guard for the two-point conversion.

Ron Hollingsworth got the Rebels onto the scoreboard on the very first play by dashing 59 yards after shaking loose on a slant off tackle.

Larry Silence took care of the rest of the scoring with a touchdown in the second period and another in the fourth. Hollingsworth set up the latter score with 25 yard jaunt to the 5.

### TOUR TO RICKWOOD CAVERNS

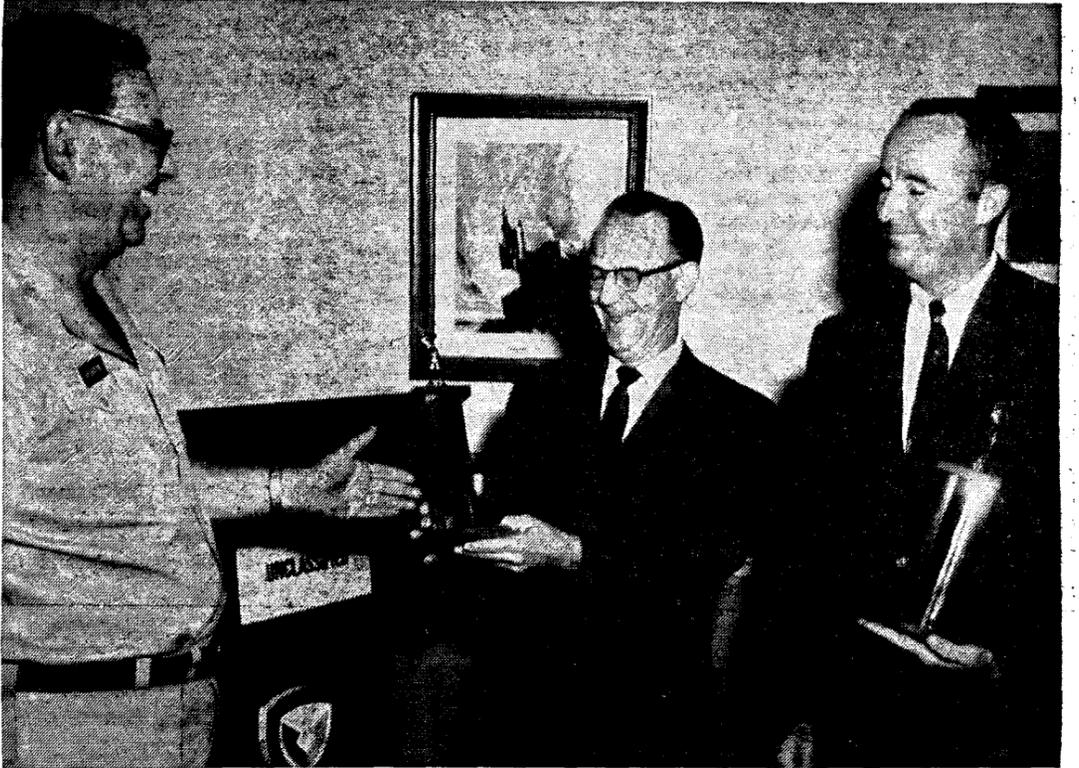

A tour to Rickwood Caverns at Warrior, Ala. has been scheduled by the Service Club for Saturday.

Rickwood Caverns, noted for its colorful formations and depth, is located in the center of an 240 acre recreation park. The park features a full size Olympic, A.A.U. swimming pool, camping, hiking, horseback riding, a miniature golf course, and a restaurant and souvenir shop.

The tour bus will leave at 9 a.m. Saturday and return at approximately 4 p.m. A picnic lunch will be furnished.

All-Sports got moving with a 3-1 win over the Rejectors overcoming a 539 by Rick Mount.

Art Frederick was runner up in the individual scoring column with a 573 that enabled the Sprinters to take three from the Lancers.

THEY'RE THE BEST—LTC Frank Creighton, Director of Supply and Maintenance, acclaims Chuck Harrington and Billy McGee as the champions of the Directorate golf league. Harrington and McGee teamed up for the winning team effort in the 16-team league that performed weekly at the Piedmont Par 3 course in Huntsville. The Troy Faulkner-Al Perry duo captured runner up honors in the Civilian Welfare Fund-sponsored league. Herman Libbe posted the best individual average for the season and was acclaimed "Golfer of the Year," while Mel Tack was the only league member to sink a hole-in-one.

## SAM-D PASSES TEST MILESTONE

The propulsion system for the Army's new SAM-D air defense missile system has passed another technical milestone.

Two flight-weight motors, exposed to a series of environmental conditions (including hot-cold temperatures and vibration tests), have been fired successfully, proving the basic design developed by Huntsville's Thiokol Chemical Corporation.

The motor now is in tactical configuration and ready for pre-qualification test firings that will certify its readiness for actual flight tests early next year.

SAM-D, an advanced air-defense missile system for the 1970s, is in-

tended for battlefield and continental use against high performance aircraft and short range missiles. Principal feature of the system is a sophisticated phased-array radar that will be able to simultaneously detect and track multiple targets, track and command missiles in flight to target intercept.

The SAM-D Program is managed by the U. S. Army Missile Command, under Col. James C. Miller, Project Manager. Raytheon Company is prime contractor, Martin Marietta Corporation is a major subcontractor to Raytheon and Thiokol is the propulsion subcontractor to Martin.

Sept. 12 — Dateline 1789 — Henry Knox became the first Secretary of the Army, advocating a well-supported Army. (ANF)

### VA, Birmingham Needs Laboratory Technicians

The Interagency Board of U. S. Civil Service Examiners has issued a new announcement for the position of biological laboratory technician. Most vacancies occur at the

Veterans Administration Hospital in Birmingham. Similar positions in other Federal agencies in North Alabama may also be filled.

Three years of appropriate experience or training are required for GS-5 positions with a starting salary of \$6,176 a year, and four years for GS-7 with a starting sal-

Persons who received an eligible rating prior to Sept. 1, 1968, under previous announcements must re-apply to receive continued eligibility.

For complete details regarding the requirements for these positions and other information, contact the Federal Job Information Center in Huntsville.

**ROHM AND HAAS RECEIVES SAFETY AWARD**—The Redstone Research Laboratories of Rohm and Haas Company recently received recognition from the Manufacturing Chemists Association for an outstanding safety record. The MCA awards its Certificate of Achievement annually to those plants or laboratories in the chemical industry who achieve a record of no lost-time or disabling injuries during an entire calendar year. Shown accepting the framed certificate is O. H. Loeffler (center), general manager of the Redstone Research Laboratories, accompanied by Dr. Ralph Connor (left), chairman of the Board of Directors of Rohm and Haas Company, and Mr. John C. Haas (right), executive vice president of the company.

"If It's Made in Madison County—It Makes Madison County"

# No Generation Gap—Only A Love For Horses

Although the Army is mechanized, modernized and missilized, there is still a place at the Arsenal where the horse reigns supreme.

For 111 members of the Redstone Saddle Club the thrill of horseback riding and comradeship between horse and rider is something the mechanical age has never been able to duplicate.

Membership in the club is restricted to active duty and retired military personnel and their dependents with some associate memberships available to members of foreign countries serving at Redstone and their dependents.

Some of the members are "old-timers" and some are youthful dependents, but there is no "generation gap" . . . the one thing they have in common is their love of horses.

Since its formation back in 1962 with four charter members, the club has grown to 111 members with 107 horses. Club members choice of horses cover a wide range with ponies, thoroughbreds, Tennessee Walkers, Appaloosas and quarter horses among the most popular classifications.

Many members participate in club activities as a family project. One mother remarked that she had a hard time getting her daughter to clean her room at home, but she had no difficulty in getting her to clean out the horse stall, straighten up the tack room or

repair the corral.

Strong ties between horse and owner is best shown in the personal care club members give their mounts. Owners exercise, water, feed, wash and curry their mounts as well as keep their corrals and shelters in good condition.

While the Saddle Club is a private organization under the Redstone Arsenal Joint Activities Council, it is a self-sustaining activity, operated and maintained by the members.

The Arsenal provides land and certain facilities for club use, which include an old farmhouse and stable area. Club horses graze on approximately 500 acres of land between Goss Road, Bob Wallace Avenue, Patton Road and Highway 20.

Approximately 62 corrals and a large riding ring make up the stable complex. An elected stablemaster supervises all operations.

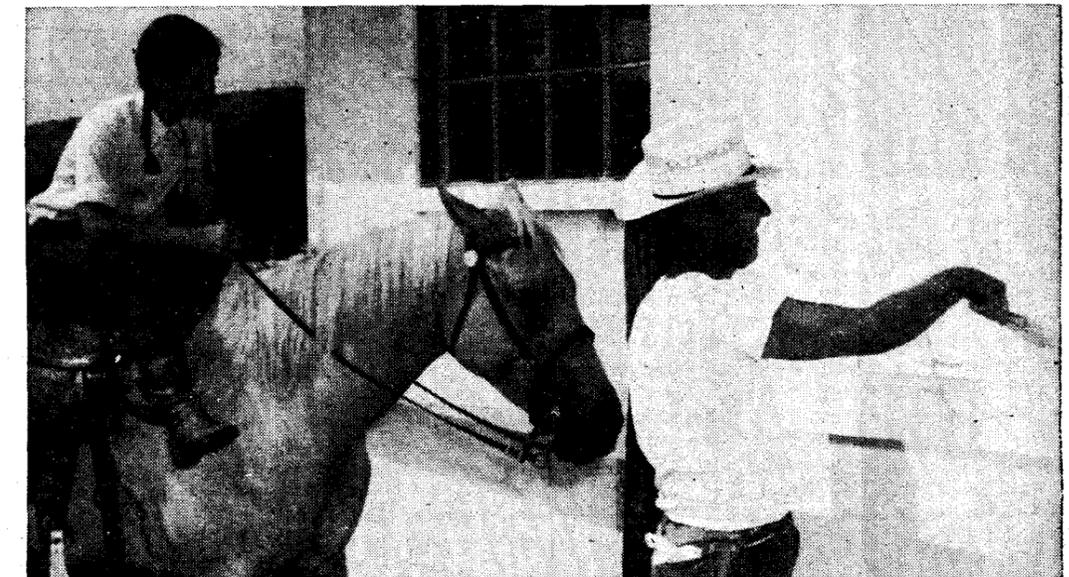

Club activities planned by the membership include organized trail rides, picnics and special going away events for departing members.

Individual members or small groups have planned hunts, riding to the hounds and participation in local horse shows, but the majority of members ride for the sheer love of riding.

The current slate of officers, Col. J. B. Spruiell, president; Col. F. S. Hertzog, vice president; Col. James Young, secretary; Col. R. E. Bundy, treasurer; and CWO Paul Massey, stable officer, are proud of the club's progress and have plans for expanded activities in the coming year.

**A MOTHER-DAUGHTER AFFAIR** — Mrs. Jane Walker and daughter Wendy make a last minute saddle adjustment. Mother and daughter, both accomplished riders, are dependents of retired Colonel J. H. Walker, and take an active interest in Saddle Club activities.

**TIME FOR FUN AND TIME FOR WORK**—Young Kathy Bundy sits her horse and watches as retired Sgt. H. L. Reitzel applies a coat of paint to his stable. Members of the Redstone Saddle Club are responsible for the upkeep and maintenance of stables and corrals and Kathy knows painting is work.

**FLICKA STEALS OATS**—Flicka has been around her mistress too long to be fooled when she holds the oats can behind her. Here Flicka borrows (not steals) a few oats as Sandy Lowery finds that holding the can behind her doesn't work any more. Members feed and care for their horses regularly as set forth by Saddle Club rules.

**YOUNGSTERS ENJOY SADDLE CLUB**—Youthful dependents of active duty and retired personnel participate in Saddle Club activities with their parents. Young Mike Bundy, right, sitting on the fence post, watches as a group of young ladies ride in the exhibition ring.

# Local Men Tell of Help After Storm

What was Hurricane Camille like?

Harold Wright and Leonard Gurley, both of the Army Missile Command, can tell you. They were undergoing two weeks of training at Camp Shelby, Miss., when the destructive storm hit.

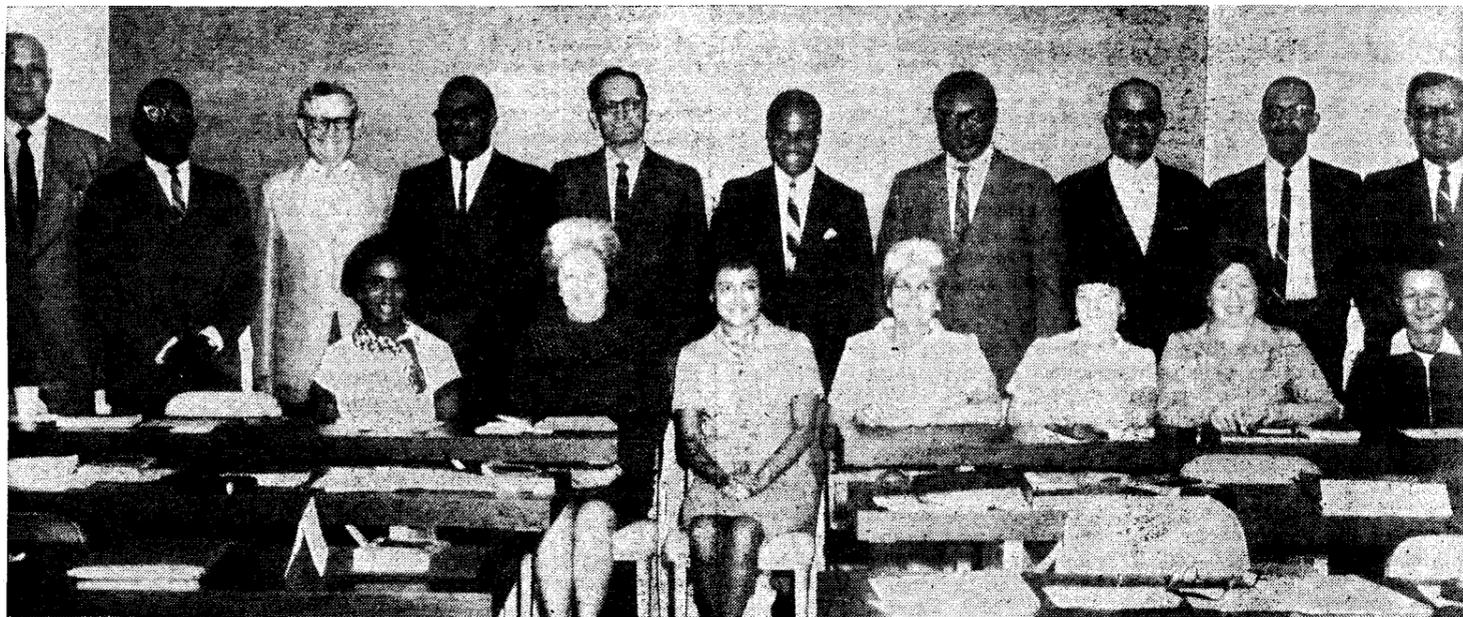

Wright, a general engineer with the Lance Project Office, and Gurley, Inspection Office, Directorate of Arsenal Support Operations, are members of Company C, 926th Engineer Battalion (an Army Reserve unit from Huntsville-Madison County) which helped clean up in the storm's aftermath. Said Wright:

"I was amazed at the damage caused by the storm. After helping clean up Hattiesburg, I had an opportunity to go down to the Gulf Coast to survey the damage. It was absolutely unbelievable . . . and I had a hard time realizing that a storm could create such destruction and devastation. I was happy that we were 55 miles away from the brunt of the storm. It was an experience I will never forget."

Wright, a captain in the reserve and commander of the local unit, told of receiving orders on Aug. 17 to start preparing Camp Shelby to withstand the winds of the expected hurricane.

His unit started removing canvas from trucks and turning them into the wind, filling water cans, getting emergency generators ready, and taping windows facing the direction of the expected wind.

When the storm did strike, the 190 mile-an-hour winds that hit the Gulf Coast had lessened to 120 mph, but the damage to Hatties-

**BACK TO COLLEGE**—Equal Employment Opportunity Counselors from Army units in Huntsville and on Redstone Arsenal attended a training course last week sponsored by the Civil Service Commission at the University of Alabama, Huntsville. Attendees, front row, left to right: Janie Harris, Jane E. Lampkin, MICOM; Geneva Cole, ABMDA; Alice Forehand, Ellanora Burns, MICOM; Sarah Bruce, SAFSCOM; and Monte N. Burgess, MICOM. Left to

right, back row: George I. Purington, SAFLOG; Jesse Draper, Willard Collins, Claud E. Martin, David L. Balkin, Marvin Carroll, MICOM; Hurbert Ford, SAFSCOM; Leonard Gurley, MICOM; Samuel C. Vaughn, SAFLOG; and Ralph Dalton, SAFSCOM. Personnel needing phone numbers of counselors for their areas may call Jim Temple at ext. 6-3591.

burg and the surrounding area was estimated at several million dollars.

Trees were broken and uprooted, roofs blown off and power lines were down all over the area. The 926th, as part of the 412th Engineer Command, assisted in cleaning up Camp Shelby and then moved to assist the community of Hattiesburg and the surrounding areas.

Operating from a firehouse on the campus of the University of Southern Mississippi, the 926th helped move hundreds of truckloads of trees, trash and debris from the streets and thoroughfares of Hattiesburg.

In addition to help given Hattiesburg, the unit supplied generators to power water purification units in the community of Lumberton,

## New Extension Policy For Officers Serving Obligated Tours

WASHINGTON (ANF)—Non-regular first lieutenants nearing the end of their two year obligated active duty tours will have to decide earlier whether they want to leave the service or accept promotion to captain and stay an additional year.

Miss. This community was hard hit due to the high winds and was without power and water until the engineer unit moved in to assist.

These cleanup operations marked the first time that a Reserve unit had been used for civil disaster and the Mayor of Hattiesburg honored the organization for their help by presenting them a key to the city.

A recent policy change requires these officers to submit either a promotion declination statement or an extension request not later than 90 days before expiration term of service (EST).

Previous guidelines indicated that one or the other of these statements should be submitted at the 90-day-to-ETS point; however many lieutenants held off almost until the last moment, thereby complicating the Army assignment planning process.

This modification in no way changes the procedures for requesting Voluntary Indefinite or Regular Army status. Individuals with less than 90 days to ETS desiring to remain on active duty in a career category status may still apply.

Additional information is in DA Message 917956 dated July 29 and also will be in forthcoming change to AR 624-100.

INSURANCE INFORMATION INSTITUTE 228

## KEEP CHILDREN SEATED WHEN RIDING IN CAR

Small children are very curious about their surroundings. When riding in cars, they like to see what's going on. To obtain better vantage points, they often stand or place themselves in other dangerous positions.

You should not grant this temporary favor to your child, however, as a sudden stop, or a skid on an icy pavement could cause a serious permanent injury, even death.

The Insurance Information Institute reports that more children in the age group of one through four die from motor vehicle accidents than from either pneumonia or congenital malformations. Many could have been prevented with proper safety precautions.

So keep children seated at all times, insure that doors are locked, and have the children strapped in their seat belts.

# CWO Mytinger Will Be Guest Concert Conductor

CWO and Mrs. DeWitt Mytinger are fulfilling a wish. Sunday they will begin a 36-day odyssey covering the length of the Federal Republic of Germany.

On the schedule is a concert at Frankfurt where the U. S. 55th Army Band director, CWO Mytinger, will be the guest conductor during the 20th reunion of the German Airborne Veterans. They meet annually at Frankfurt. The concert is held at the Palmengarten, an acoustically perfect concert hall, which is rearranged for a formal ball and supper following the concert. The 2nd Panzer Division (Armored) Band will present the concert and play later for dancing.

Almost on the eve of the Mytinger's departure, he received a copy of the President Kennedy March, dedicated to Mr. Mytinger by composer Martin Adams of Hanau. Another composer, Wilhelm Winthrop, composed the Bandmaster March, so titled to honor Mr. Mytinger during a duty assignment in Germany. There have been two assignments of four years each: the first beginning in 1954 and the second in 1963.

The Mytinger's will be guests of Mayor Wilhelm Kletke of Schwalbach (a Frankfurt suburb), and Heinze Deutsch, a famed paratrooper and aviator of World War II who is the present president of

the Airborne Veterans Association. There are other stops on the Mytinger's agenda, a trip to Augsburg to visit Heidi Schmidt, with whom they fenced while in Germany; families in Aurich, Heidi, Duiesberg and Munich who once were stationed at Redstone Arsenal and whom the Mytinger's met here.

Two years ago, the Mytinger's were invited to participate in the annual concert and ball at Frankfurt, but they had recently returned to the U. S. and were unable to return to Germany for the festivities. They made a promise they would come back. Both of them worked on their German before departure. They don't expect to use much English until they are homeward bound again.

## WRITING CONTEST DEADLINE NOV. 1

WASHINGTON (AFPS)—Thinking about entering the 1969 Freedoms Foundation Letter Writing Program? You'd better hurry—the deadline is Nov. 1.

Besides letter writing, officials point out, contestants may submit editorial cartoons, magazine and newspaper articles, editorials, essays, letters to editors, sermons, public addresses and even radio and television scripts.

Furthermore, you can submit scrapbooks relating to community programs or American free enterprise and motion picture prints with descriptive material.

Awards range from certificates to honor medals and cash awards from \$100 to \$1,000.

Write to Awards Administration, Freedoms Foundation, Valley Forge, Pa., 19481, for answers to any questions you have in mind about your entry.

## The Seven-year rich

(or how to turn \$18.75 into \$25 in just 7 years)

Buy U. S. Savings Bonds regularly. It's a happy habit

and before you know it, you'll have more than a few dollars tucked away in one of the safest investments there are.

And as each \$18.75 ripens and matures into \$25 over seven years, you'll have a nice red,

white and blue feeling from knowing you've done your part to help Uncle Sam strengthen the cause of freedom.

# New Investment Plan Offers 6% Promissory Note Certificates

This investment plan is offered for the purpose of acquiring new capital to supplement shares capital and meet a high loan demand.

**MINIMUM AMOUNT:** A minimum of \$5,000 applies with additional amounts in \$1,000 multiples.

**INTEREST:** Interest at a rate of 6% per annum is payable quarterly by check mailed to the payee and at the date of presentation for payment or redemption.

**EARNING PERIOD:** Earn from the date of purchase to the date of presentation for payment or redemption.

**MINIMUM:** Thirty days is the minimum investment period.

**ELIGIBILITY:** This plan is offered to the public without restriction to members or persons eligible for membership.

**OBTAINABILITY:** The Promissory Note Certificates may be purchased and presented for payment or redeemed at the Main Office ONLY, Redstone Federal Credit Union, 511 Sparkman Drive, Huntsville, Alabama, or by mail to P. O. Box 5347.

**REDEMPTION:** Redemption rights are reserved and may be effective the first of any month after providing notice of fifteen days by Redstone Federal Credit Union.

The Promissory Note Certificates represent a priority claim on assets of the organization.

The right to withdraw the investment plan at any time is reserved. A limited investment plan period is anticipated.

Conversion of members' existing shares to this investment plan would result in forfeiture of any dividends earned.

## Information on Redstone Federal Credit Union

The cooperative organization is supervised and examined by the Bureau of Federal Credit Unions and was chartered in November 1951. A Board of Directors establishes policies under which management and staff operate, subject to limitations of the Federal Credit Union Act and regulations of the Bureau of Federal Credit Unions.

Required audits are performed by Ernst & Ernst under supervision of the Supervisory Committee. A blanket surety bond of \$5 million covers staff and officials.

Redstone Federal Credit Union has more than 48,000 members with assets in excess of \$27 million.

HUNTSVILLE, ALABAMA 35805

**MISSILE & MUNITIONS CENTER & SCHOOL**  
**NAMES IN THE NEWS**  
 by SP5 Ted Beattie

The report comes in each month and the results are always the same. The Missile and Munitions Center and School once again tops all Redstone units and organizations in total contributions to the monthly Red Cross Blood Drive. The Bloodmobile visit to the Arsenal in August resulted in 992 pints of blood being accepted from 1135 participants. This represents 198.4 percent fulfillment of the RC goal for Redstone Arsenal. Trophies are awarded by the Red Cross each month to the best unit in two categories. The category I trophy for units or organizations with over 100 assigned personnel went to the 2nd Battalion's 1st Enlisted Training Company. The 1st had 78 donors representing 60 percent participation from its unit. The Student Officer Company won the category II prize (under 100 assigned personnel) with 13 percent participation. The missile school donated 404 pints of blood which was 266 above its quota.

**AWARDS**  
 Maj. McBee presented awards to 2nd Battalion soldiers during an awards ceremony Thursday afternoon at Battalion Headquarters. Capt. J. R. Braden accepted the Honor Company trophy for the men of the 4th Enlisted Training Company. The Red Cross Blood Donors trophy was presented to the 1st ETC for winning the category I competition. The 2nd Battalion Soldier of the Month award goes to PFC Stewart E. Sappington of the 7th ETC. A student in a Pershing Guidance Control course, PFC Sappington received a plaque from Maj. McBee and now moves on to SOM competition at the School Brigade level.

**SPECIAL VISIT**  
 Two colonels from the Pentagon's Officer Personnel Office paid a call to all colonels assigned to MMCS Monday. Col. Charles H. Tompkins and LTC Ivan R. Prince were given full tour of Redstone Arsenal facilities during their two-

day stay, although the purpose of their visit was an orientation and interview sessions with assigned colonels here.

Col. Schuppener had a surprise visit from representatives of the Third Army Reenlistment Office Monday afternoon. The Commandant accepted a reenlistment award in behalf of the school from Third Army, MMCS achieved the highest percentage of reenlistments for the fourth quarter of fiscal year 1969 in the Third Army area.

Speaking of reenlistments five MMCS non-commissioned officers extended their tours of active duty during the past week. Taking another three last Thursday was SFC Chester Blakely. The Company C soldier nears the 25-year mark in his military career.

Delta's SFC William Hawkins added three years service to his term of enlistment which will put him over 30 years of active duty. On his way to an assignment in Germany is SSG Nat Wade, presently assigned to Alpha Company. The seven-year Army veteran took another six.

Assigned to Company B, SFC Felton Collins "re-upped" for three to add to his recently completed 21 years of service. The school's final reenlistment of the week is also a Bravo soldier, SFC Robert Peoples. He also reenlisted for three years which will give him almost 25 years on active duty.  
**PROMOTED**

It was promotion time in the Air Defense Department Thursday afternoon. New captain bars were pinned on former 1Lt. Edwin K. Okamoto.

Five more MMCS soldiers are headed for the Third Army Non-Commissioned Officers Academy this week at Ft. McClellan, Ala. Leaving for the 10-week course are SP6 Donnie R. Gilstrap (Company A) SSG James E. Robinson (Company B), SSG Joseph C. Mraz, Jr. (Company B), SSG Byron J.

CSM JAMES R. CRICK—New Command Sergeant Major at School Brigade Headquarters.

**THIOKOL-UNION SIGN AGREEMENT**

Thiokol Chemical Corporation, Huntsville Division, and Rocket Lodge No. 1325, International Association of Machinists, today announced agreement on a new three-year contract effective Sept. 16, 1969. Negotiations have been in progress since mid-July.

The terms of the contract were not revealed. Both parties expressed satisfaction with the settlement.

The contract will extend from Sept. 16, 1969, through Sept. 15, 1972.

**GEORGIA TECH ALUMNI**

The Huntsville Georgia Tech Alumni Club will hold its Fall meeting in the Russel Erskine Hotel Ballroom Oct. 2 at 6:30 p.m.

The speaker will be Dr. Benjamin J. Dasher, Associate Dean of Engineering, Class of '35. Club President Bill Glass and Vice-President Mark Thompson will report on the Georgia Tech Club Officers' Annual Meeting held on the Campus.

All alumni, wives and guests are invited. For reservations phone Paul Butler at 881-1627 or Bill Glass at 536-6980.

Bernath (Company C), and SSG Antone K. D. Vital (Company D).

MAJ. KUNHART—new 1st Bn CO NEW COs

Newly promoted Capt. James Konicki moves over to take command of the 2nd Battalion's 1st Enlisted Training Company after a year's duty as commanding officer of the 2nd ETC. He replaces 1Lt. Gerald Crocker who has been reassigned to HHC. 1Sgt. Arthur Moore keeps his duties as the company's "Top".

Down in the 6th ETC, former CO, Capt. F. C. Rodman has departed for the Civil Affairs school at Ft. Gordon, Ga. and for further assignment to Europe. Replacing Capt. Rodman is 1Lt. David D. Swogger who comes to MMCS from a 13-month tour of duty with the 2nd Infantry Division in Korea.

There's a new face in Delta's orderly room. 1Sgt. Donald R. Buley has taken over the first sergeant duties for the 1st Battalion letter company.

Active in the Arsenal's Boy Scout program, 1Sgt. Buley replaces 1Sgt. Herbert Newell who departed in early September for language school at Arlington Heights, Va. and then for his next assignment in Thailand.

**KNOW WHAT?**  
 EMERGENCY LEAVE

Only the commanding officer can grant emergency leave when death or critical illness occurs in a serviceman's immediate family requiring his presence at home. The Red Cross field director will obtain reports on emergencies at the request of a serviceman or his commanding officer. Because of the time and distance factor, servicemen are encouraged to advise their families to contact their local Red Cross chapter as soon as an emergency develops. The necessary information can then be reported to the field director with minimum delay. Red Cross financial assistance in amounts sufficient to defray the cost of round trip air transportation from the port of debarkation to the home is available. See your Red Cross field director when you need counseling on personal problems, emergency communications and reporting service, health and welfare reports, emergency assistance for dependents, financial assistance, or other services.

**AUCTION**  
**SATURDAY, SEPTEMBER 27,**  
**AT 10:31 21/30 A.M.**  
**— BEAUTIFUL VINTA MILL LODGE —**  
 Beautiful Vinta Mill Lodge, All Equipment, 25 Lots Overlooking Richland Creek, Belonging To Mr. and Mrs. Carl Heckerth, Located 28 Miles North Of Huntsville, Alabama, 12 Miles South Of Pulaski, Tennessee, 1 Mile West Of Highway 31. Follow Arrows To The Big Sale!!  
 Vinta Mill Lodge, Located Above Vinta Mill Dam On Richland Creek, Is One Of The Famous Fishing Paradise Spots You Will Find Along This Creek.  
**SCENIC SHOWPLACE**  
 The lodge has approximately 1,700 sq. fet. with concrete floor and is of rock construction. It is completely fireproof. The building is 30 x 58. One wall of the Lodge is built of natural rock and is one of the scenic show places in Giles County. Vinta Mill Lodge is located a short distance off Highway 31, just off a blacktop road. There are bridle paths through this scenic property. Fishing, hunting and all kinds of outdoor recreation can be found here. This fine showplace in Middle Tennessee is an EXCELLENT BUSINESS LOCATION with a club house including a dining room and one of the best fishing resorts on the banks of Richland Creek, and is not too far from Huntsville, Athens, Decatur, and Florence, Alabama.  
**OVERLOOKS BEAUTIFUL DAM**  
 Vinta Mill Lodge overlooks beautiful Vinta Mill Dam, which for many years has been a famous fishing resort of Middle Tennessee, is noted for large strings crappie, large mouth bass and all species of game fish. Below Vinta Mill Dam is some of the most famous bass fishing waters of this section of Giles County.  
**BEAUTIFUL PICNIC GROUNDS**—Also located at Vinta Mill Lodge are picnic grounds under beautiful shade trees.

Among The 25 Lots We Will Sell Are Several Overlooking Vinta Mill And Richland Creek.  
 There are shady lots, level lots, lots for split level cabins; any kind of lot desired can be found here. We will offer Lots 14, 15, 16 and 17 fronting the road coming into Vinta Mill Lodge which is located on Lot 20. Also offered will be Lots 61, 58, 57, 55 through 45, 40, 38, 31-33 and 26. There are approximately 30 lots that have been sold in the past 12 months. Some cabins have been built on these lots and there are trailers being used as weekend homes. The lots run from 100' to 125' frontage. Lots 4, 26, 31, 32 and 33 have large water frontage on Richland Creek.

**BUILD A RETREAT ON BEAUTIFUL WOODED LOT OVERLOOKING VINTA MILL AND RICHLAND CREEK.**  
 This beautiful Vinta Mill Property is well located in a hunting and fishing area noted for all kinds of game fish, doves, quail, deer and squirrels. If you are looking for a weekend retreat, this is a paradise because there is no other location in Middle Tennessee equal to the choice lots we are offering. Plats will be furnished and a clear title to all deeds will be given purchasers. Leave your cares and woes—retreat to a quiet, secluded lot at Vinta Mill for an afternoon, a weekend, weeks or longer. Here you'll enjoy the finest fishing, hunting, camping, hiking, boating, water sports and outdoor adventure! See these lots before the auction—select the ones you like! You'll find nothing to compare anywhere along Richland Creek or Elk River.

**— YOU SET YOUR OWN PRICE!! —**  
 When you buy at auction, you know you get full value for your money! You know what others will pay! ! There's no safer way to buy real estate than this! ! The only reason Vinta Mill Lodge is for sale at any price is due to the fact that Mr. Carl Heckerth has been transferred to Philadelphia, Pennsylvania. His move could mean your move to a great business opportunity. The property will be offered separately and then as a whole; the highest price will determine sale.  
**TERMS: 25% Down Sale Day, Balance on or before 30 days.**
